TMP: A Unique Educational Program

• Open to all majors on campus
• Curriculum focused on business fundamentals and developing professional skills
• An emphasis on innovation, internal and external: Entrepreneurship & Intrepreneurship
• Experiential learning: TMP courses address real problems and often use a flipped-classroom approach
• Large and active mentorship network of practicing professionals and entrepreneurs in the region

Impact:

• Prepares students for post-graduate employment
• Adds tangible value to campus degrees
• Faster career trajectory upon graduation
• Jobs, internships, regional economic stimulus
Electives also offered in Sales, Market Research, New Product Development, Managing Operations, Patents & IP
The New Venture Competition
Overview

NVC 2016
UC Santa Barbara
USCB New Venture Competition (NVC)

• One of the longest-running venture competitions in the US
• University-wide participation
• Students form teams, develop an idea, and build and validate a business model
• Coursework and seminars offered to prepare teams for the competition
• Broad and deep mentor network assists and advises teams
• A serious business development exercise!

**Spring**
- Competition Fair and Finals
- New Venture Fair
- NVC Finals

**An Eight-Month Educational Experience**
NVC: A Transformative Learning Experience...

...But Also a Competition

• Fall events open to all interested in NVC
• Continuation to Winter / Spring events is competitive
  – Must be selected to advance
• Do a thorough job in feeder courses and it will be more difficult to deny you!
• Put your best foot forward!
  – Attend Fall events
  – Form your team early
  – Develop your idea, and start to validate it
The New Venture Competition

Rules and Guidelines

NVC 2016
UC Santa Barbara
Rules & Guidelines: Team Eligibility

- UCSB students must make up the majority of the team
  - Teams should be 3 to 5 members
  - Non-students must be approved by TMP faculty (me)

- Only active UCSB students are eligible for prizes

- Prior cash funding must be disclosed, including your own
  - Grants not included
  - Significant capital raised may disqualify a team
  - See me if you’ve raised or invested any capital

- Use of IP requires written approval of its owner

- Problem Being Solved
- Elegance and Effectiveness of the Solution
- Product Differentiation
- Value Proposition
- Business Model
- Market Opportunity / Competition
- “Go to Market” strategy
- Product / Technology Defensibility
- Quality / Depth of the Team
- Financial Projections

2nd Place  $3,500
3rd Place  $1,000

Elings Prize
$5,000

People’s Choice Award
$2,500
The New Venture Competition
Resources
Resources: Mentors and Advisors

Who are they?

- Entrepreneurs and business professionals with local ties
- Passionate about start-ups
- Industry and domain experts
- Well connected
- Want to help you with your business

How can they help?

- They speak from experience
- Can be great “sounding boards”
- Might be an investor or business partner some day
- Most 2015 NVC finalists logged significant time with their mentors
- Often can connect you with their professional networks

Mentors are vetted before becoming involved, and monitored and evaluated by TMP. See me if a mentor offers you anything unusual.

The New Venture Competition

Next Steps
Nest Steps

• Provide your email address before you leave tonight!
  – Does **not** commit you to participating in the NVC
  – It does enable us to contact you to provide more information
• Attend Fall mixers and events
  – They are designed to get individuals together, complete teams, discover mentors who may help
• Start thinking about an idea and looking for teammates
• Network!
Next Steps: Upcoming Fall Events

Primary Objectives for Fall Quarter:

- Come up with a business idea
- Form a team
- Meet mentors
- Apply for NVC prep classes

Team Deliverables: December 2015

• Register and submit team entry by December 31st
  – Earlier for acceptance into prep classes (probably Dec 4th)
  – Late entries may be accepted, but you will miss consideration for NVC prep courses

• Team member names, email addresses

• Business name (if established)
  – This can change later

• Brief summary of product / business idea
  – One page

• Teams / ideas that are accepted will participate in Winter quarter activities and events
Team Deliverables: March 2016

• Submit business / team entry by March 18th to be considered for the New Venture Fair
• Business name & logo
• Business “tag line” (i.e. Subway: “eat fresh”)
• Business model canvas
• Executive summary (2 pages max)
• Team member names, email addresses
• All teams must submit an entry by March 18
